Duties:	Mechanical and Electrical Services. Advice to tenant and Performance Design of fit out.

Design Team:

Project Manager:	Fuller Peiser
Architect:	Kilmartin Plowman
Electrical Contractor:	CA Sothers
Mechanical Contractor:	CA Sothers

Description of Project:

Project Carnival was constructed to provide Newell Limited with distribution facilities over 395,000ft² of warehouse in Fradley, Lichfield.

Our duties were to provide advice on the requirements for base build building services installation and provide performance design for the fit out of the facilities within the offices and warehouse areas.
