Project Manager:	Paul Mantle Partnership
Architect:	Glen Howells Architects
Quantity Surveyor:	Paul Mantle Partnership
Structural Engineer:	Couch Consulting
Main Contractor:	Kendrick Construction
Electrical Contractor:	Spectrum Electrical
Mechanical Contractor:	Lowe Mechanical

Description of Project:

As part of its expansion programme Halesowen College required additional teaching space to be constructed at their Whittingham Road site.

This involved refurbishment of the existing art and design block, the provision of a new sports hall and a new computer and performing arts block.

The project was carried out within a tight budgetary time constraint and handed over satisfactorily to the Client.
