Design Team:

Project Manager:	Fuller Peiser
Architect:	Rubicon
Quantity Surveyor:	Edmund Shipway
Main Contractor:	CPL
Electrical Contractor:	Lee Beesley
Mechanical Contractor:	CA Sother/H&K

Description of Project:

Due to the centralised function of this facility to provide catering to the workforce from the site it was necessary to relocate facilities contained within the building around the site.

This involved detailed liaison with Cadburys to ensure that all parameters were met, of price, programme and workforce satisfaction.

Various schemes were undertaken as part of this project including dining facilities into the Centenary Club Cafe facilities within the Linden 2 block, meeting facilities within the Linden 2.
