Duties: Mechanical and Electrical Services
Design

Design Team:

Project Manager: Shropshire Council
Architect: BBLB Architects
Main Contractor: Read Construction
Electrical Contractor: GCT Electrical
Mechanical Contractor: Coalway MS / Mant Ltd

Description of Project:

The school required a refurbishment to their existing Food Technology Department, which included an upgrade to an adjoining toilet facility. An external demountable unit was also extended to house a new media centre. Our duties were to amend existing heating services and design new ventilation, lighting and small power services to these areas.
